Winks & Co. Adds Eight New Autumn & Winter Fragrances

Kathleen, GA – August 2006

Winks & Co., the natural bath and body company known for its delicious, luxurious Whipped-to-Perfection Body Butter, is excited to announce the addition of eight new fragrances just in time for the autumn and winter seasons.

"Everyone loves the renewal and rejuvenation that the fall and winter seasons bring," says Laurie Winks, founder of Winks & Co. "What better way to celebrate the beauty and memories that accompany these seasons than with bath and body fragrances that celebrate our favorite holiday scents."

Choose from eight limited edition fragrances: Pumpkin Cheesecake, Twigs & Berries, Buttery Maple Sugar, Harvest Apple, Sparkling Snowflakes, Brown Sugar Cranberry, Holiday Cheer, and Frosted Sugar Cookies.

Winks & Co.'s newest autumn and winter fragrances are available from September through February. The products retail at \$16 for 6 oz. and \$6 for 2 oz. and will be available in our online boutique. Gift sets are available at \$60 for a set of four 6 oz jars and are elegantly presented in a silver box lined with burgundy tissue and tied with a burgundy satin ribbon.
